

Sports

As a member of The Grace Academy Lancer Track your student may wish to join one of our many teams! At Grace Brethren, we believe that sports are a microcosm of life. If you can be successful in the discipline of athletics, you can be successful in life. Sports is not just about winning and losing but about teaching young men and women life skills that will enable them to service their God, family, church and community more effectively. Grace Brethren coaches have a tradition of building winning programs with CIF championships in Football, Baseball, Volleyball and numerous league championships.

The Grace Academy

Elementary Athletic Program

GBE participates in the highly competitive San Fernando Private School League. Sports are provided for 4th - 6th graders and drill team for 3rd - 6th grade girls. Our current offerings are:
